## INVESTMENT SEGMENTATION

## WHO IS THIS FUND FOR?

This fund is for a person seeking short-term safety and planning to hold their investment for a short period of time.

## HOW HAS THE FUND PERFORMED?

This section tells you how the fund has performed over the past 10 years. Returns are after the MER has been deducted. It's important to note that this does not tell you how the fund will perform in the future. Also, your actual return will depend on the guarantee option you choose and on your personal tax situation.

### AVERAGE RETURN

A person who invested \$1,000 in the fund 10 years ago would have \$1,017 as of December 31, 2022. This is equal to an annual compounded return of approximately 0.2%.

### YEAR-BY-YEAR RETURNS (%)

This chart shows how the fund would have performed in each of the past 10 years for a policyowner. In the past 10 years the fund was up in value 5 years and down in value 5 years of the 10.

## HOW RISKY IS IT?

The value of your investments can go down. Please see the section risks of the information folder for further details.

## ARE THERE ANY GUARANTEES?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes the insurance cost for the guarantee, but excludes the cost of the enhanced guarantee option. For details please refer to the information folder and contract.

## HOW MUCH DOES IT COST?

The following sales charge option will apply. For details refer to the information folder and discuss with your Consultant.

100% maturity & 100% maximum death benefit guarantee	1.26	0.05%

### TRAILING COMMISSION

The trailing commission is paid to your Consultant by IG Wealth Management out of fees received from the fund for services provided to you for as long as you hold the fund. The commission is based on the value of your investments and is paid as follows:

- Up to 0.034% per year

If your Consultant has been with us for more than four years, he or she may receive an additional annual payment of up to 0.009% per year.

### OTHER FEES

You may have to pay other fees.

FEE	WHAT YOU PAY
Short term trading fee	Up to 2% of the value of units you redeem or switch within 90 days of investing in the fund. This fee goes to the fund.

### WHAT IF I CHANGE MY MIND?

You can change your mind and cancel the segregated fund policy or any subsequent premiums you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it was mailed to you.

Your cancellation request has to be in writing, which can include email, fax or letter, that you want to cancel. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request, if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges you paid.
